Group Travel Made Easy: Charter a Bus! If you are organizing a group trip, consider simplifying your travel arrangements by chartering a bus instead of relying on individual vehicles. Traveling together provides more opportunities to connect and enjoy the journey as a group. Reach out to our Charter department by calling **(800)552-0022**. Let our representatives assist you in arranging transportation and ensure your group tour is convenient, and enjoyable. Let us help make your group travel experience memorable and stress-free. You can focus on spending quality time together while WE take care of the logistics.

We have a fleet of clean, modern coaches. All of our coaches are equipped with a rest room. We currently have 19 Coaches. We have some of the buses configured for seating 50 - 56 people. That makes for a very comfortable trip. Keep in mind the number of people that you will have in your group and plan accordingly.

If you do have a larger group, we can seat up to 56 passengers in several of our buses. What a great way to have a fun time with your group. Each coach has different patterns of fabric, and has overhead bins or shelves for your carry on items.

All of our coaches have the ability to "kneel down" or have a step that will open to allow easy entry and egress from the coach.

SPORTS TEAMS - FAN BUS - FAMILY REUNIONS - WEDDINGS - CHURCH GROUPS

Our latest addition to our Fleet is a 25 passenger Shuttle Bus. There is plenty of room for luggage in the back compartment and overhead bins for your personal belongings. DVD entertainment center with PA is available for educational presentations or just laid back fun with your group.

Sunshine Tours

Dear Friends,

As we begin our **45th year** of conducting **Quality Motorcoach Tours**, we want to say **"Thank You"** to all of our loyal Sunshine Travelers. It is because of you that we remain in business today. If you are new to Sunshine Tours, we want to welcome you to the **"Sunshine Family"**.

Every tour is escorted on modern **Touring Motor Coaches**, giving our passengers the most comfortable ride. Because we **Own Our Motor Coaches**, we have complete control over the **Quality and Cleanliness** of each Motorcoach. Rest assured any new **Health and Safety Protocols** are in place as our main concern is the **Safety of our Passengers**. In addition to being climate controlled and rest room equipped, each state of the art motorcoach has video equipment. You will feel safe and secure with the knowledge that your **Personal Tour Director** and **Motorcoach Driver** will handle all of the details, leaving you free to **ENJOY YOUR VACATION**. All tours include **Deluxe Motorcoach Transportation** and **Admission to all Listed Attractions**. **Baggage Handling** is provided at each night's lodging as indicated in the catalog. From the moment you **Step Aboard** our Motorcoach, **Wonderful Things Begin to Happen**. Your **Sunshine Tour** is more than just places and things, it is a **Happy Time**, filled with **Good Feelings** and **Fond Memories** with Family and Friends.

We hope you enjoy your **"New Tour Catalog"**. We have made lots of revisions to existing tours as well as adding new destinations for 2026. Because of the current state of the economy, you will notice **price increases** on some of the tours. The motorcoach industry as well, as the hospitality industry, have suffered. Fuel Prices fluctuate daily since the printing of our last catalog. Restaurants, accommodations, and numerous attractions have found it necessary to **raise prices due to food costs** as well as **increased wages to maintain staff**. We have tried our best to keep all tours at an affordable price.

Be sure to notice the many **New** and **Revised** tours we are offering in 2026: **"Iceland"**, **"Spotlight on the French Riviera"** and **"America's 250th Birthday Bash"** to name a few. Look for the **NEW** Symbol next to the tour description.

We Certainly Do Appreciate the Support you have given us! It always makes us feel good to see so many **Familiar Faces** on our tours and also meeting the **Friends** you bring with you. **Thanks to YOU** our **"Sunshine Family"** is growing all the time with new members on every tour that we do. From all of us here at Sunshine Tours, we want to **THANK YOU** for this support and we look forward to seeing you on one of our tours.

"The world is a book, and those who do not travel read only one page." - Saint Augustine

Sincerely,

SUNSHINE TOURS

All tours shown in the catalog will have an **Area Number** shown beside the date(s). This number represents the towns where we will offer a pick up and return for that particular tour date as shown in the above map and list of areas.

However, if a tour date that we have scheduled for another area is not being offered in your area, or the date is not convenient for you in your area, you may still come to the area where the tour is being offered to be picked up.

We ask that you **arrive** at your pick up point at least **15 minutes prior** to the time listed in your letter. The time listed in the **LETTER** is when the bus should pull out. The pickup and return times in the **CATALOG** are approximate depending on the number of passengers traveling and situations such as traffic, weather, or other delays.

Additional pick up and return points are also available when a tour travels through certain towns. For example, if the tour is headed to New York City, north on Interstate 81, we would be able to pick up and return to Lexington, Staunton and Harrisonburg. If you feel that this is a possibility on the tour that you have chosen, please **call our Office** for that information.

SUNSHINE TOURS GROUP TRAVEL

Seat Rotation - Sunshine Tours uses a seat rotation system for all passengers to enjoy different views from the bus as well as to meet everyone traveling on the tour. The Tour Director will help facilitate this rotation by asking the group to move two seats each day on a tour five to ten days in length and one seat each day on a tour longer than ten days.

Luggage - Sunshine Tours allows one bag per person that will be delivered to the room on arrival (where indicated) and one carry on piece. Remember if you can't lift it easily, think about your driver and bell staff. Your one large, sturdy bag, (no large duffle bags) should be maximum 10" deep, 14" high and 24" long. The compartments over the seats must be shared with fellow passengers therefore please limit the size to one SMALL "Flexible" carry on bag per person. Small, hard-side luggage does not fit. Pack Light as our tours are very casual!

Itinerary - Sometimes it is necessary to alter the itinerary or arrangements and Sunshine Tours reserves the right to do so without penalty. Time constraints, mechanical failure, weather or unavailability of an event are all conditions for change.

Refunds - Please refer to the terms and conditions in the back of the Catalog for our refund policy.

IMPORTANT CHANGE

Pickup Points - On certain trips we may need to alter the pickup points to one closer to the bus route to allow for an improved experience and to get you on your way faster.

CASS RAILROAD TRAIN RIDE CASS, WV

October 10 — Area 1

Nestled in the Mountains of West Virginia, **Cass Scenic Railroad State Park** offers excursions that transport you back in time and let you relive an era when **Steam-driven Locomotives** were an essential part of everyday life. At this time of year the fall foliage should be at its peak.

We begin by visiting **The National Radio Astronomy Observatory in Green Bank, West Virginia** which operates a world premiere astronomical telescope. A lunch is provided at the **Starlight Cafe**.

Once you board the Train, the real excitement begins! The great pistons of the carefully restored **Shay Locomotive** will start pulsing, driven by hundreds of pounds of steam pressure. The shaft begins turning, the wheels find traction,

and the Locomotive begins to move. The Train pulls away from the station, passing the old water tower from which the locomotive tanks are filled. As the pressure builds, the locomotive is driven at full steam and the laborious journey up the

mountain toward the **two switchbacks** begins. The train soon passes through the first switchback, reverses up a steep grade, ascends to the second switchback where the process is repeated, and then finally into open fields and **Whittaker Station**.

5 REYKJAVIK: Reykjavik, Iceland's capital city of 100,000 people, is unique in many ways. This capital is a modern city with a variety of restaurants, museums, galleries and theaters. Heated entirely by geothermal water, it is home to the "smoking bay", so named for the rising steam that greeted the city's Viking founder, Angolfr Arnarsson, as he sailed into the bay here in 874 AD. The city center is the heart of Reykjavik and home to many charming historic buildings of stone and timber contrasting with imaginative modern architecture. It has the features of a modern society complemented by a close connection to natural wonders right on the city's doorstep. Hot springs, glaciers, lava fields, midnight sun, waterfalls, northern lights, volcanoes

and bizarre landscapes – the city has them all! On the included panoramic city tour of the world's most northerly capital, see the old town center, Parliament, cathedral, harbor, National Museum, "Pearl" and Hofi House (site of the Iceland summit of 1986), and Hallgrímskirkja Church whose steeple is a landmark of the city. Following is an excerpt from a poem written while at the 2013 Sunshine Tours Family Reunion by one of our Sunshine Family Members.

As our Family Reunion
Expectations are met,
This might become the best
One yet.

Each breakfast, lunch and
Dinner buffet
Was filled with delicious foods
In a lovely array.

We were entertained from
Morning 'til night.
The "Hall of Shame" showing
How Sunshine Tours shines
So bright.

As we go to the bus and say our good
byes, We take out our neck
Pillows and close our eyes.

"Another Family Reunion has
Come to an end,
We have wonderful memories
Of each old and new friend."

DUBLIN LIONS CLUB

The Dublin Lions Club was founded in 1953 and has now been serving the local community and state with over 50 years of humanitarian service.

The motto of every Lion is "We Serve". The clubs' major emphasis is placed on helping the local community. However, the Dublin Lions Club also supports state, national, and international projects that aid humanitarian efforts. The founding of the "Lions Club" movement was based on a challenge by Helen Keller to help combat blindness. That challenge still serves as the driving force for all Lions Clubs.

The Mission Statement for all Lions Clubs is:

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.
